

CROSSWINDS

The Official Newsletter of the Fallbrook Community Airpark

PHANTOM STRIKES AGAIN Tom Aberle engineered his "Phantom" to a decisive victory over all competitors in the Biplane Class at the Reno National Races with a speed of 251.958. The next best speed was more than 20 mph slower at 231.685. This was Tom's third straight win at Reno, making the Airpark and the San Diego aviation community very proud. **THE 99s ARE BACK** The Coyote Country Chapter of the 99s will hold their 16th annual Caper & Poker Run on Saturday, Oct. 7. The airports included will be Fallbrook, Ramona, Gillespie Field, Hemet, French Valley and Oceanside. Visit the Airpark that day to watch these great ladies of the air fly into Fallbrook. **SPAGHETTI FEAST** Our Friends of Fallbrook have done it again...this time serving a fantastic spaghetti dinner to nearly 100 hungry airport visitors on Saturday, Sept. 6. \$5 bought a plate of delicious spaghetti, bread, a soda and lots of other fixings'. It's always great to see a big crowd like this come together at the Airpark. **YOUNG EAGLES**

Tom Aberle's "Phantom" was up to its old speedy tricks at this year's Reno Air Races.

SOAR The Friends of Fallbrook Community Airpark and Chapter 1279 of the Experimental Aircraft Association (EAA) from French Valley Airport hosted a Young Eagles Flight Rally at the Airpark. Fourteen aircraft and pilots participated, along with 45 young boys and girls. The rally is part of the EAA Young Eagles program, created to interest young people in aviation by providing a free ride in a small airplane and experience the thrill of flight. Since the program was launched in 1992, volunteer EAA pilots have flown more than 1.2 million youngsters who reside in more than 90 countries. Following the flight, each young person received a certificate making them

Young Eagles get a briefing and a first look at an aircraft's instrument panel before their flights.

official Young Eagles. Their name will also be entered into the world's largest log book, which is on permanent display at the EAA Air Adventure Museum in Oshkosh, WI. **A NEW OFFICE BUILDING** Those two modular structures you see in west of 18, are to become our new airport

You're looking at a lot of satisfied customers as the Friends of Fallbrook serve up a spaghetti dinner.

administration building. Once we're completed the environmental impact report and the Master Plan gets underway, those structures will be permanently staged, painted and refurbished. They will contain the Manager's office and perhaps even a pilot's lounge and a small deli. This area will also become our new transient ramp, vehicle parking lot and a viewing area.
